

## Topic 2 WORLD LANGUAGES

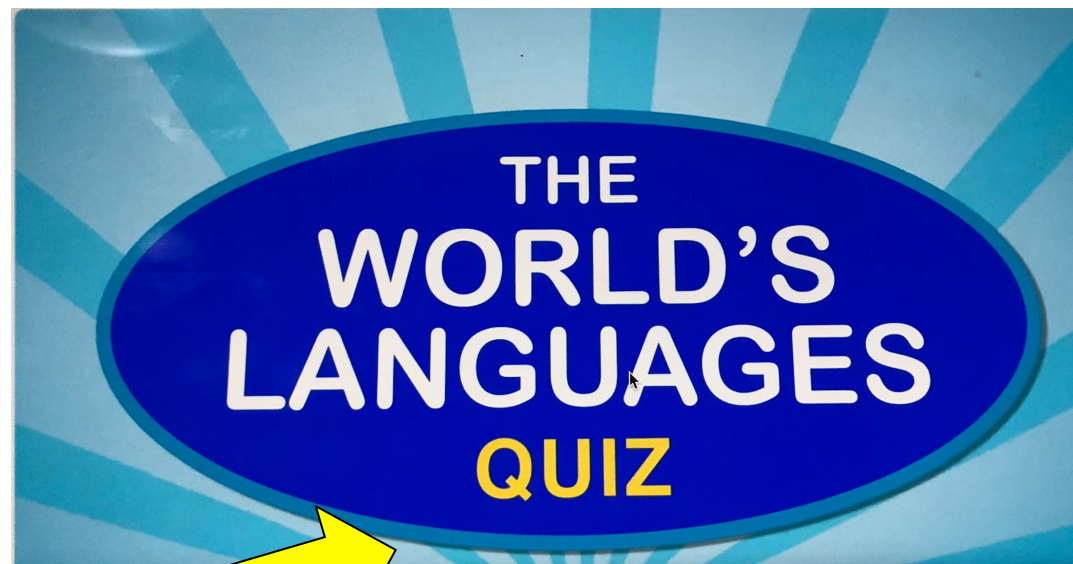

Here's a question that many children, students and adults wonder about and often ask:

### HOW MANY LANGUAGES ARE THERE?

To answer this question we go the **WORLD'S LANGUAGES QUIZ** prepared by Adam Beck, a passionate and enthusiastic advocate of family bilingualism. The **QUIZ** includes 20 questions and is based on research from **Ethnologue**, an encyclopedic reference website that catalogs all of the world's known living languages.

**Each question has four response options and a ten second response time.**
